## RULES AND REGULATIONS

### CONNECTION CHARGES

#### A. Normal Connections:

Normal connections to existing sewer lines shall be made without charge for a prospective consumer who shall apply for and contract to use service for one (1) year or more and provides a guarantee for such service. Any such connection made at the property line of a prospective customer shall be classified as a normal connection.

#### B. Other Connections:

The charges for connections made for the purpose of land development or for any party that will not be committed to the payment of a monthly rate in accordance with the established rate schedule as approved by the Public Service Commission are subject to negotiation between the Utility and the party requesting the connection. Any such connection that will affect the rate paid by any consumer of this Utility shall be subject to the approval of the Public Service Commission.

### LINE RELOCATIONS

When necessary to move or relocate facilities, the cost will be paid by party or parties requesting such relocation.

### BILLING, COLLECTION, PENALTIES

Bills for sewage service furnished by the sewer system will be mailed no later than the TWENTIETH day of each month and will be due and payable by the TENTH day of the following month. A \$10.00 late payment penalty charge will be applicable after the due date of any account.

### DEPOSITS

The Utility may require from any customer or applicant for service a cash deposit or other guaranty to secure payment of bills not to exceed two-twelfths (2/12) of the estimated annual bill of such customer or applicant where bills are rendered monthly.

or three-twelfths (3/12) of the estimated annual bill where bills are rendered bimonthly, or four-twelfths (4/12) of the estimated annual bill where bills are rendered quarterly. Interest at the rate of six percent (6%) per annum will be paid on deposits so required, accruing from the date of deposit.

DISCONTINUANCE OF SERVICE BY UTILITY

The utility may refuse or discontinue service to an applicant or customer, after proper notice, for failure to comply with its rules and regulations or state and municipal rules and regulations, when a customer or applicant refuses or neglects to provide reasonable access to the premises, for fraudulent or illegal use of service, or for non-payment of bills. If discontinuance is for non-payment of bills, the customer shall be given at least forty-eight (48) hours written notice, separate from the original bill, and cut-off shall be effected not less than twenty (20) days after the mailing date of the original bill unless, prior to discontinuance, a residential customer presents to the utility a written certificate, signed by a physician, register nurse, or public health officer, that such discontinuance will aggravate an existing illness or infirmity on the affected premises, in which case discontinuance may not be effected until the affected resident can make other living arrangements or until not less than ten (10) days elapse from the date of the Utility's notification. When a dangerous condition is found to exist on the customer's or applicant's premises, the service shall be cut off without notice or refused, provided that the utility notify the customer or applicant immediately of the reasons for the discontinuance or refusal and and the corrective action to be taken by the applicant or customer before service can be rendered.
